Marc McElreath  
Fire Chief

June 18, 2012 - *For immediate release*

### West Jordan Fire Chief Restricts Fireworks

(West Jordan, UT) – The West Jordan Fire Chief has restricted the use of fireworks in all areas west of U-111 (Bacchus Highway) within the West Jordan City limits for the duration of the 2012 fireworks season.

Chief Marc McElreath cited the overabundance of tall grasses and weeds as a main concern as well as continuing high temperatures and winds that will quickly dry out vegetation. He also noted that there is large fuel load of “duff” or undergrowth from previous years that would add to a fire.

The Fire Department will continue to monitor environmental conditions throughout the rest of the city for possible additional fireworks restrictions.

For more information, please contact Battalion Chief Steve Holmes at 801-260-7300 or email [infowjfd@wjordan.com](mailto:infowjfd@wjordan.com).
